

Gorgi Petkov Agrologist and Consultant

Gorgi is a seasoned Professional Agrologist accredited by BCIA, boasting a comprehensive academic background with a B.Sc. and M.Sc. in Viticulture and Fruit Production from Macedonia, former Yugoslavia. With diverse expertise ranging from cultivating grapes in arid, warm climates to adapting to cooler conditions in the Fraser Valley and Vancouver Island, Gorgi has showcased versatility in vineyard management and consultation. Noteworthy achievements include consulting for vineyard establishments like Saison Vineyards in the Cowichan Valley, various vineyards in Fraser Valley and pioneering one of Canada's largest kiwi vineyards in Abbotsford, British Columbia. Gorgi's passion for viticulture and wealth of experience promise valuable and more unique insights for the upcoming conference.
